

NDB Bank Extends Operations To Malabe

Posted on

Extending its operations further, NDB Bank recently opened its latest branch at Malabe in the outskirts of the capital city. It is NDB Bank's 32nd branch.

Customers of NDB Bank's Malabe branch will have a wide range of services to choose from, particularly with recent additions to the NDB Bank's extensive product portfolio. Among the specialised services provided by the Bank are bancassurance investment products, leasing and Western Union money transfer facility.

NDB Bank's tie-up with Western Union, a leader in global money transfers, has enabled customers to receive money from their loved ones overseas very conveniently. Acknowledged as the world's fastest, reliable and secure means of sending and receiving money from overseas.

Western Union Money Transfer Service is available at all NDB Bank branches.

A choice is offered to the customers with the new concept of bancassurance investment products in partnership with NDB Bank's associate company, Eagle Insurance. The customer has three choices of investment under Power One, Life Venture and Future Plans. Customers are also able to obtain a NDB Home Loan at very competitive interest rates.
