

Odyssey Into The Wild

Posted on

‘Odyssey into the Wild’, penned and illustrated by B A Mahipala is a revelation of his journeys ranging from popular tourist destinations to remote corners of the planet earth. A 208 page coffee table book, ‘Odyssey into the Wild’ includes not only stunning photographs but also a step by step narrative tracing the steps taken by him during each voyage, including tips on best times to travel, the best paths to take and more. The book was launched amidst a distinguished gathering.
