The Pathfinder Foundation presented the Sinhala translation of Dr. S. Jaishankar's seminal work, *The India Way: Strategies for an Uncertain World*, to the visiting Indian External Affairs Minister during a ceremony in Colombo.

The translation, undertaken by Ajith Perakum Jayasinghe, is part of the Foundation's broader initiative to make significant global policy discussions accessible to the Sri Lankan audience, thereby promoting a deeper understanding of India's strategic perspectives.

First published by Harper Collins Publishers India, *The India Way* offers an in-depth analysis of the geopolitical shifts triggered by the 2008 Global Financial Crisis and the 2020 Coronavirus pandemic. Dr. Jaishankar, a seasoned diplomat and India's External Affairs Minister draws from India's rich civilisational history to articulate how the country is navigating itself as a rising global power in an increasingly complex and unpredictable world.
