People's Bank has reinforced its industry leadership by receiving top honors at the CRIB CEO's Forum and Institutional Rating Awards Ceremony 2025.

This event, organized by the Credit Information Bureau of Sri Lanka (CRIB), was attended by a distinguished gathering including the Governor of the Central Bank as the Chief Guest, along with J.P.R. Karunaratne, Deputy Governor of the Central Bank and Chairman of the CRIB Board of Directors.

People's Bank was acknowledged for its outstanding contributions to data quality and efficiency, securing awards in two of the Bureau's most significant performance categories: Maintenance of Updated Information and Maintenance of Highest Validity. These accolades highlight the Bank's unwavering commitment to data integrity, operational excellence, and adherence to best practices in information management. People's Bank contributes approximately four million transactions to CRIB's central repository, which represents

nearly 20 percent of the total data volume, further emphasizing its scale and responsibility as a leading contributor to the national credit infrastructure.

Clive Fonseca, CEO and General Manager, People's Bank, expressed that, "We are deeply honored by this recognition, which reflects the collective dedication and professionalism of our team. This achievement reaffirms our continuous commitment to excellence and our pivotal role in supporting the country's financial ecosystem through robust data governance."
