People's Bank has launched a special credit card promotion at Kandy City Centre (KCC), running until August 31, 2025, marking its second consecutive year. The initiative was inaugurated at the People's Bank KCC Branch, attended by officials and staff. Credit cardholders can enjoy discounts of up to 60 percent at select KCC merchant outlets and 25 percent off at KCC-owned stores.

People's Bank is waiving the joining fee and the first-year annual fee for all new credit cards issued during the promotional period.

Cardholders can save up to 40 percent at partner hotels, restaurants, and selected merchants in Kandy, Matale, and Nuwara Eliya. Customers can access zero percent installment payment plans for up to 60 months at selected merchants.
