The People's Bank's Gampaha Regional Export Hub was opened at the Gampaha Branch by Clive Fonseka, Acting CEO and GM, People's Bank.

The Export Hub concept was introduced to provide all the necessary facilities for Small and Medium Exporters under one roof, and the concept will be implemented at seven branches in seven regions across the country.

The project was kicked off with the opening of an Export Hub at the Nugegoda Branch, and the Export Hub in Gampaha is the second of its kind.

At Export Hubs, SME customers will be provided with complete financial solutions, including credit facilities at special interest rates, export banking facilities, guarantee facilities, advisory services, supplementary services, and digital banking facilities (Corporate Internet Banking) explicitly designed for exporters and importers, through this service.

A.S.M.V. Kumarasiri, Deputy General Manager (International Banking), People's Bank; Wickrama Narayana, Deputy General Manager (Enterprise Banking); N.H. Wijayawardana, Head of Marketing, members of the Executive Management of People's Bank, Bank staff and customers participated in the event.
