Sanjeewa Bandaranayake CEO/GM, People's Leasing presenting the cheque to Dr. Nandika Sanath Kumanayake, Secretary to the President. Also present was Professor Ajantha Samarakoon, Chairman, People's Leasing and Finance.

As a responsible corporate citizen, People's Leasing and Finance (PLC), along with its subsidiaries People's Insurance (PIL) and People's Micro Commerce, has launched several community initiatives to support the nation, its customers, and employees following the cyclone. These efforts aim to provide relief, facilitate recovery, and help restore normalcy.

As a key initiative, PLC presented ten million rupees to the "Rebuilding Sri Lanka" Fund at the Presidential Secretariat.

Sanjeewa Bandaranayake, CEO/GM, PLC, handed over the cheque to Dr. Nandika Sanath Kumaranayake, Secretary to the President, with Chairman Professor Ajantha Samarakoon also participating. This donation supports the government's effort to restore essential infrastructure and services nationwide.

PLC and its subsidiaries have launched a collaborative effort to identify individuals and families most affected, introducing a dedicated hotline to collect information for efficient relief and recovery coordination. Recognizing that employees have also been impacted, PLC has implemented immediate measures to safeguard their welfare, establishing a dedicated Disaster Management Committee. Senior management, including the Chairman and CEO, are working closely with staff across island-wide branches through internal welfare programs, ensuring timely assistance and fostering mutual cooperation.

Through initiatives ranging from national-level support to on-the-ground relief and employee welfare programs, People's Leasing Group reaffirms its commitment to the Sri Lankan community. By working collaboratively at all levels, from national leadership to individual households, the Group ensures a path toward recovery, resilience, and a future where the nation is Rising Stronger, Rebuilding Together.
