People's Leasing and Finance expanded its branch network by opening its 111th branch at Eheliyagoda.

The opening ceremony was attended by a distinguished gathering, including Prof Ajanta Samarakoon, the Chairman, People's Leasing; Sanjeewa Bandaranayake, CEO and GM,

People's Leasing; members of the company's senior management, branch staff, officials from state institutions, and customers. Due to the economic slowdowns faced by Sri Lanka stemming from the COVID-19 pandemic, People's Leasing had previously limited its business expansion activities.

However, with the positive growth currently observed across all economic, social, and sustainable development sectors in Sri Lanka, People's Leasing, as a responsible financial institution and with the vision of its new management, has launched numerous projects to expand its services and business operations. Expanding its island-wide branch network is noted as one of the key initiatives.

In line with this, the Eheliyagoda branch marks a milestone in the branch network expansion program.

This opening will pave the way for the public in the Eheliyagoda area to fulfil their financial service needs under one roof, offering more efficient, friendly, and convenient financial facilities along with a trustworthy service.

A wide range of financial facilities, including leasing, vehicle loans, fixed deposits, savings account opening, gold loans, and Islamic finance facilities, offered by People's Leasing and Finance, can also be obtained through the Eheliyagoda branch.

For nearly three decades, People's Leasing has operated as a responsible financial citizen, contributing to the improvement of the living standards of the Sri Lankan populace by increasing the financial inclusion of Small, Medium, and Large-scale enterprises, as well as the general public, through its network of 111 branches spread across the island.

This effort clearly reflects People's Leasing's contribution to the sustainable development of both the economic and social facets of our country.
