

Presenting ProMate

PrintXcel, member of Rathna Publishers and Printers, launched ProMate World Stationer in the presence of First Lady Shiranthi Rajapaksa, who was the Chief Guest for the event. Ministers, Government Officials, Commanders of the Armed Forces, representatives from corporates and other dignitaries were present at the occasion. The event also featured the launch of the ProMate logo and website. Manufactured under stringent quality standards, ProMate offers a selection of notebooks, CR books and spiral pads, contributing towards the advancement of education and writing in the country. The product also caters to the export market and has been featured at many international exhibitions. It will be launched in the US in November 2010.
