

Save While You Spend with One percent CashBack on DFCC Bank Credit Cards

Posted on

DFCC Bank Credit Cards provide one percent guaranteed CashBack feature for all cardholders 365 days a year. This CashBack can be channeled to any DFCC Bank account, making for tangible savings. DFCC Bank Credit Cards also provide year-round offers, promotions, and savings, helping to save more while spending, particularly during festive seasons. Various Mastercard and Visa International card products are available to suit your every need.

DFCC Pinnacle cardholders enjoy a three percent guaranteed CashBack on fuel, dining, utility bills, and overseas transactions, DFCC World Mastercard cardholders enjoy a 1.5 percent guaranteed CashBack on overseas transactions, Visa Prestige cardholders enjoy a three percent guaranteed CashBack for fuel and utility while Visa Salary Partner cardholders enjoy a three percent guaranteed CashBack for fuel. This is not all; they earn an additional one percent guaranteed CashBack on all other transactions. The CashBack amount can be credited to a DFCC Bank savings or current account of the cardholder's kith and kin. Interest is offered on the CashBack amount when credited to a DFCC savings account, making it a double reward.

Denver Lewis, Vice President – Head of Card Centre at DFCC Bank, said, “DFCC Bank Credit Cards are accepted locally and globally while providing many benefits, most uniquely, a one percent guaranteed CashBack on every transaction. This translates into actual real savings that you can use for other purposes later. Plus, our Cardholders are entitled to various promotions and privileges, depending on their card type, including cards that provide travel-focused benefits.”

DFCC Bank is ranked among Business Today's Top 40 Corporates in Sri Lanka.
