Officials of Seylan Bank and Asiri Hospitals exchanging the partnership agreement.

Seylan Bank has partnered with Asiri Hospitals to offer a multitude of value-added benefits and services for all Seylan Harasara account holders. The Bank entered the partnership understanding the importance of financial freedom and stability for senior citizens and the important role they play in society. Through this partnership Seylan Harasara, senior citizen account holders will receive exceptional benefits from Asiri Hospitals. The benefits include 20 percent off on Laboratory Investigations and Diabetic Foot Assessments, 20 percent off on room rates, 15 percent off on CT and MRI scans, 10 percent off on Mammogram, X-rays, ECG scans, and many more, as well as 10,000 rupees waive off from the standard price for PET scans and 20 percent off on 'Asiri amazing care' membership rates. Seylan considers senior citizens a significant part of the society who have played a vital role in molding future generations. In an attempt to show its gratitude for all of their hard work and efforts, team Seylan initiated a partnership with one of the top healthcare service providers in the country to offer exceptional healthcare benefits as one enters retirement age. As one of the most considerate financial products for senior citizens in the market, the Seylan Harasara account holders will also receive discounts of up to 20 percent at hospitals and laboratories, discounts of up to 25 percent at selected opticians, special discounts at book stores and discounts up to 10 percent on medication deliveries. A dedicated priority service on the Bank's 24x7 hotline, priority banking services at all branches island-wide and 'Suhada Sewa' branch staff to attend to all customer requirements are available as well.
