A delightful combination of timeless jewellery designs and finest perfumes, 'A Jewellery and Perfume Affair' commenced at The Sifani Gallery. The third of a series of glamorous events planned for the year, 'A Jewellery and Perfume Affair' provided a morning of blissful indulgence to discerning jewellery lovers.

The event, which set off in high festivity was organised in partnership with Exclusive Lines and Dilmah. Branded perfumes of Exclusive Lines were featured in a perfectly matching combination with the bewitchingly beautiful jewellery from Sifani, while Dilmah's Iced Teas added refreshing splendour to the occasion.

In celebration of Fathers Day Sifani's range of silver cufflinks was on display for the father interested in golf, tennis or the businessman's more stylish designs.
