SLT and Mobitel has partnered with Manusath Derana on a national level CSR project that aims to convert decommissioned SLTB buses into fully-fledged libraries. This initiative is carried out in partnership with the National Library of Sri Lanka and the Sri Lanka Transport Board (SLTB).

SLT and Mobitel recognizes the importance school libraries have on improving student literacy and learning outcomes in Sri Lanka.

Sri Lanka Telecom group has been committed to supporting the educational landscape by providing quality access to reading materials through e- Learning and m-Learning platforms thus, empowering thousands of students, graduates as well as other knowledge seekers across the country. The 25 libraries will act as learning centers, providing equal opportunities for students with accessible educational resources and inculcating the habit of reading.
