

SLT-MOBITEL mTunes Introduces 'Be a Millionaire' Promo

Posted on

SLT-MOBITEL offers users the ultimate chance to turn music into wealth with its new 'Be a Millionaire' promo on mTunes.

mTunes is a digital lifestyle service that allows customers to personalise their Caller Ring Back Tone (CRBT) with their favourite songs or audio content. It adds a unique and personalised touch to phone calls, allowing customers to express their originality and preferences with their loved ones. With a vast collection of songs on the mTunes platform, the 'Be a Millionaire' promo allows users to connect with their hearts' content and win big cash prizes. Till November 30th, 2023, the 'Be a Millionaire' promo on mTunes promises incredible prizes for lucky participants.

The grand prize is one million rupees with additional rewards of 100,000 rupees for the second winner and 50,000 rupees for the third place. Seven more lucky winners will receive 10,000 rupees each, and every week, there will be twelve lucky winners of 10,000 rupees each in cash prizes. Existing and new CRBT users can win these fantastic prizes, including becoming millionaires, by activating more mTunes during the promotional period. With multiple cash prizes available, numerous opportunities exist to win every week. The 'Be a Millionaire' promotion is a golden opportunity to make dreams come true.

Users can increase their chances of winning by simply activating more mTunes daily. Users

can experience the fun, excitement, and entertainment offered by mTunes and enjoy the world of music.
