SLT-MOBITEL Nebula Institute of Technology achieves International Recognition at Pearson BTEC Higher Education Forum 2024

Andrew Patrick, British High Commissioner to Sri Lanka, presents the award to Janaka Silva, General Manager, Human Capital Development, SLT, on behalf of SLT-MOBITEL and the Nebula Institute.

SLT-MOBITEL Nebula Institute of Technology, the educational arm of SLT-MOBITEL, has been honoured with international recognition at the Pearson BTEC Higher Education Forum 2024, highlighting the second consecutive year of

acknowledgement for excellence.

During a ceremony, the Institute received the International Level 3 and Level 5 Higher National Recognition Award for 2023, signifying commitment to delivering high-quality technological education.

Andrew Patrick, British High Commissioner to Sri Lanka, presented the award to the Nebula Institute. Distinguished Pearson representatives, including Premila Paulraj, Director, Employability & Qualifications, Pearson South Asia; Siddharth Parnerkar, Senior Director, HEQ International Selling, Pearson South Asia; and Suriya Bibile, Deputy General Manager, Sales, BTEC, PTE, and HEd Courseware, Sri Lanka & Maldives were also present. Janaka Silva, General Manager, Human Capital Development, SLT, received the accolade on behalf of the SLT-MOBITEL Nebula Institute, while Eng. Darshana Bandara participated in the occasion.

Nebula Institute of Technology offers a comprehensive range of cutting-edge technology and engineering programs designed to meet the evolving demands of the technology sector. The carefully curated curriculum addresses critical industry challenges, providing students with practical, market-relevant qualifications to transform their career potential.

The Institute’s educational portfolio includes BEng (Hons) in Electrical and electrical Engineering, BEng (Hons) in Robotic and artificial Engineering, BSc (Hons) in Data Science, Pearson BTEC Level 5 HND in Electrical and Electronic Engineering, Pearson BTEC Level 5 HND in Digital Technologies, Pearson BTEC Level 5 HND in Computing, and Pearson BTEC International Level 3 Foundation.

The Institute offers programs like the Certificate in Applied Information Technology (CAIT), Telecommunication Technician NVQ 4/3, Optical Fibre Courses, Network Security Courses, and the CompTIA Security program. Key benefits include quality education, individualized attention, hands-on experience with real-time systems, and affordable fees.
