

SLT-MOBITEL Offers Attractive Benefits For Pre-Orders On Samsung Galaxy S22 5G Series

SLT-MOBITEL accepts pre-orders for Samsung Galaxy S22 5G series. New as well as existing customers can pre-order Samsung's latest flagship smartphones, the Galaxy S22 5G and Galaxy S22 Ultra 5G, and enjoy benefits underpinned by SLT-MOBITEL's seamless connectivity experiences. The Galaxy S22 5G Series is designed with innovative features and pioneering technology. It is fitted with advanced intelligent image processing, including enhanced 'nightography' features; for smoother, clearer night-time video and photos, more storage, and

the first embedded S Pen in the Galaxy S series. The flagship Galaxy S22 Ultra 5G reimagines the mobile experience by merging the best Galaxy features of the Note and S series, thus providing users to enjoy an exclusive Smartphone experience.

The Galaxy S22 Ultra 5G (12/256 GB) is now available for pre-order in the colors Phantom Black, Burgundy, and Green at the price of 319,999 rupees. The Galaxy S22 5G (8/256GB) is available for pre-order in the colors Phantom Black, Pink Gold, Phantom White, and Green for a price of 229,999 rupees. Samsung offers free Galaxy Buds2 for pre-orders of the Galaxy S22 Ultra 5G, while consumers who pre-order Galaxy S22 5G will receive a Galaxy Buds Live. Consumers who pre-order Galaxy S22 Ultra 5G or Galaxy S22 5G will also receive a 100 GB offer for six months on OneDrive, three months Spotify premium subscription, and a two-month premium offer on Adobe Photoshop Lightroom and Adobe Creative Cloud Express.

SLT-MOBITEL is offering benefits where customers can enjoy a 150GB anytime data to purchase the Galaxy S22 5G and 200 GB for the S22 Ultra 5G. In addition, these benefits are offered on purchase of the devices during the pre-order period and offer valid till April 30, 2022. Post-paid customers will additionally receive a bonus, with the connection fee and refundable deposit waived off.
