

SLT-MOBITEL partners vivo to launch latest 5G-ready smartphones

L–R: Chathura Liyanage, Brand Manager, vivo Sri Lanka, Prabhath Dahanayake, Chief Marketing Officer, SLT-MOBITEL, Jeewapadma Sandagomi, Chief Officer – Supply Chain Management, SLT-MOBITEL, Sudharshana Geeganage, Chief Operating Officer, Mobitel, Gihan Sanketh Nanayakkara, General Manager, vivo Sri Lanka, Lahiru Ekanayake, Senior Key Account Manager, vivo Sri Lanka, and Dilshan Bandara, Deputy Sales Manager, vivo Sri Lanka at the official launch of vivio V60 5G in collaboration with SLT-MOBITEL.

SLT-MOBITEL, in partnership with vivo, has officially launched the highly anticipated vivo V60 5G and vivo Y29T 5G in Sri Lanka, combining vivo’s cutting-edge smartphone innovations with SLT-MOBITEL’s superior network experience. As the first operator to trial 5G in Sri Lanka, SLT-MOBITEL continues to strengthen its position in next-generation connectivity. The partnership brings customers the best of both worlds, uniting vivo’s expertise in advanced smartphone technology with SLT-MOBITEL’s commitment to delivering outstanding network experiences through modernized infrastructure.

Both devices are now available at all SLT-MOBITEL outlets island-wide, offering seamless connectivity on SLT-MOBITEL’s advanced 5G-ready network. Customers benefit from comprehensive after-sales support and flexible payment options, including Koko.
