

SLT-MOBITEL Partners with NEM Construction Project ‘The Cambridge’

Posted on

Representing NEM Construction: Kumara Jayakody, Site Manager; M.B.S. Piyadasa, General Manager; A.M.S.P. Bandara, Director; and Raja Nanayakkara, Chairman. Representing SLT: Chethana Attanayake, General Manager/Western Province Central, Kelum Priyantha, Senior Manager (Marketing)/Business Development Unit, and Kasuni Dilhara, Marketing Officer.

SLT-MOBITEL, has signed an agreement with NEM Construction to provide ICT infrastructure solutions for ‘The Cambridge’.

The 16-units apartment complex is located in the heart of Colombo at Cambridge Place. The agreement was signed by authorized signatories Chethana Attanayake, GM/Western Province Central of SLT and Raja Nanayakkara, Chairman NEM Construction, in the presence of representatives from both companies.

With SLT-MOBITEL’s ICT infrastructure, the residents will have access to modern state-of-the-art amenities, including ultra-fast internet connectivity through SLT-Mobitel Fiber, with incredible download speeds and crystal-clear voice communication. Residents can also

access world-class entertainment options via SLT PEOTV high definition (HD) TV content.

'The Cambridge', is set to impress residents with its modern architectural design, professional building management, and infrastructure synonymous with a premium residential lifestyle.

Aligned to its ethos as a dynamic organization possessing expertise in design and technical know-how, flexibility to blend innovation, fulfilling the highest standards and meeting clients' individual needs, NEM Construction is set to provide unmatched, innovative and world-class experiences to the resident of 'The Cambridge' apartment complex.
