

SLT-MOBITEL Unveils the Revolutionary 5G-Ready Apple iPhone 16 Series

Prabhath Dahanayake, CMO, SLT with a customer and Sudharshana Geeganage, COO, Mobitel during the launch of Apple's revolutionary iPhone 16 series.

SLT-MOBITEL unveiled Apple's revolutionary iPhone 16 series, marking a significant milestone in its commitment to bringing cutting-edge technology to Sri Lanka. The event, attended by premium customers, distinguished guests, and special representatives, underscored SLT-MOBITEL's dedication to valuing long-standing customers while strengthening its partnership with global brands like Apple.

At the gathering, pre-ordered devices were ceremoniously handed over to

customers, allowing attendees to experience Apple's latest innovation and preview the iPhone 16 range. Additionally, the event featured an in-depth product review, providing participants with a comprehensive understanding of the new iPhone 16 lineup.

The event showcased the future of technology and emphasized SLT-MOBITEL's focus on delivering cutting-edge innovation and exceptional customer experiences through its state-of-the-art network. Attendees had the opportunity to experience the iPhone 16 series first-hand with 5G technology, powered by SLT-MOBITEL's future-ready 5G trial network, offering a glimpse into the next generation of mobile connectivity.

The iPhone 16 models available through SLT-MOBITEL include iPhone 16 – 128GB, iPhone 16 Pro—128 GB, iPhone 16 Pro—256GB, and iPhone 16 Pro Max—256GB. To enhance the iPhone 16 experience, SLT-MOBITEL is also offering a range of exclusive benefits for customers, such as a special data package of 600GB of free data spread across three months (200GB per month) for eSIM users. Pre-ordered offers for iPhone 16 customers include a comprehensive extended 2-year warranty for peace of mind.

In addition, the first ten pre-ordered customers received added accessories, a one-time screen replacement, and a one-time back panel replacement to safeguard against accidental damage and for device protection.

These offers reflect SLT-MOBITEL's service excellence, ensuring customers can fully enjoy their new iPhone 16 with added benefits and protection.
