

SLT-MOBITEL's 'Booster 232' and 'Social Lite' Budget Packs

SLT-MOBITEL, has introduced two all-new exceptional 'Booster 232' and 'Social Lite' budget-friendly packages, setting new industry standards while delivering endless fun and seamless connectivity.

The 'Booster 232' by SLT-MOBITEL Mobile offers non-stop social media usage, voice, and text plans that provide endless access to three popular apps: WhatsApp, Viber, and IMO.

Users are also offered an extra 250 voice and SMS bundles each, in addition to 512 MB of data. 'Booster 232' is currently available for prepaid customers with an easy, user-friendly activation process. Customers must dial #170# and select 'Unlimited Social Media Plans', followed by 'Nonstop Instant Messaging' and 'Booster 232'.

Using the SLT-MOBITEL Self-Care Apps, customers can select the 'Unlimited Social Media Plans' followed by 'Booster 232', while multiple activations are acceptable.

SLT-MOBITEL Mobile's new 'Social Lite' package is another game-changing, value-for-money plan for unlimited social media, specifically nonstop access to social media applications such as Facebook, Instagram, LinkedIn, Twitter, WhatsApp, Viber, as well as IMO.

SLT-MOBITEL Mobile's new wallet-friendly solutions are designed to meet the

evolving needs of valued customers while offering unparalleled value.

The new plans offered by SLT-MOBITEL are designed to be truly affordable, redefining the digital experience and ensuring customers stay connected and engaged with ease.
