**SLT VisionCom (SLTVC) was formed as a fully-owned subsidiary of Sri Lanka Telecom…**

SLT VisionCom (SLTVC) was formed as a fully-owned subsidiary of Sri Lanka Telecom to market the first ever Internet Protocol Television (IPTV) product, known as SLT PEO TV provisioned in Sri Lanka in late 2008. PEO TV differentiated its offering to customers by introducing Rewind TV, Time Shifted TV, Picture-in-Picture, Movies on Demand, Music on Demand and many other TV applications for the first time in Sri Lanka. It has now become one of the most sought after products among customers reaching closer to 500,000 subscribers spread islandwide offering unmatched TV capabilities.
