The SLIC Life Congress 2019 was held for the first time in Pattaya and Bangkok, Thailand to honor the top performers in the Life Insurance category.

Members from the top man□agement of SLIC were also present on this occasion.

Sri Lanka Insurance Life Congress is organized annually to identify the outstanding performers of the Sri Lanka Insurance Sales Force. In 2019, over 350 achievers were fe□licitated and over 150 winners were awarded with foreign tours for their achievement under the respective business categories.

The sales achievers who achieved the highest levels at a competition held from first half of 2019 were qualified to attend this four day residential congress.

The event included sessions carried out by Boonchai Tohsuwanwanich, Executive District Director of a well□recognized insurance com□pany. He was the first male to be granted MDRT Life Member (10 Years) and MDRT Quarter Century (25 Years) in Thailand.
