Sri Lanka Insurance was recognized and awarded for business excellence at the 16th edition of the National Business Excellence Awards organized by the National Chamber of Commerce.

The annual initiative – National Business Excellence Awards was launched with the aim to recognize as well as reward the organizations that have excelled in all-round performance. The contenders for the National Business Excellence Awards were evaluated on the basis of a three-stage process of desk reviews, interviews and judge’s final review.

The evaluations were com□prised with seven excellence criteria namely leadership, corporate governance, capac□ity building, performance management, global and local market reach, corporate social responsibility and environ□mental sustainability, and business and financial results.
