Sri Lanka’s first 3D Cinema

Ceylinco Investments and Realty)CIR) together with EAP Theatres, announced the setting up of a state-of-the-art cinema at CIR Realty Plaza shopping complex, Ja Ela.

The cinema will have a digital sound system and 3D widescreen with a digital projection system. It will be the only cinema, which will provide viewers the choice of watching a film in the language of their choice – English, Sinhala or Tamil, with headphones provided to all.

Another special feature will be the luxury Maharaja seats and specially dedicated Family Boxes.
