

# Suzuki Bonanza from Browns

Posted on

Brown & Co. Ltd., sole agent for Suzuki automobiles in Sri Lanka, will shortly introduce the Suzuki Swift to the local market at a launch price of Rs 600,00.

Furthermore, the first ten confirmed orders to be received will be the recipients of Sharp colour TVs. According to Wiraj De Mel - Director Motor, Brown & Co. Ltd, the first shipment will come here in January.

This special bonanza offer on the first shipment of the Suzuki Swift is being made available very specially to the local market, in recognition of the unstinted efforts made by Browns in promoting this world renowned automobile brand in Sri Lanka.

This European version of the Swift comes with full Singapore specification which features include a fuel efficient 1000 cc engine, advanced electronic fuel injection system which maximizes efficiency, superior 52 horse power, remote controlled boot and fuel lid opener, flush controlled halogen head lamps, tinted glass, tachometer, power mirrors and AM/FM Radio cassette, all of which make this family sedan an irresistible buy.

The value of this family sedan is further enhanced by the fact that very shortly a new Suzuki service center will be opened at a very convenient location. This service center which will be manned by fully trained personnel using diagnostic tools and other specialized electronic and special purpose tools will have the added advantage of periodic visits by Japanese Engineers from the Suzuki head office. 19
