Vision Care Expands Branch Network with New Wennappuwa City branch

Eye testing at the Vision Care’s Wennappuwa branch.

Vision Care opened its newest branch in Wennappuwa, further expanding its network of accessible, top-quality vision care services across the country.

The new branch, located at Halawatha Road, Wennappuwa, was inaugurated by Vision Care’s senior management, dedicated staff members, and well-wishers. This expansion reflects Vision Care’s ongoing commitment to bringing its world-class eye

care solutions to more communities, providing greater convenience to customers in outstation areas. By opening this new branch, Vision Care aims to help customers save time and money by offering them easy access to professional eye care for their entire family without the need to travel long distances.

The conveniently located new Wennappuwa city branch offers ample parking, a modern aesthetic, and spacious interiors that enhance the customer experience. Customers visiting this new branch will have access to an extensive selection of eyewear products, including spectacles, sunglasses, contact lenses, and advanced hearing care solutions. The branch is outfitted with state-of-the-art eye and hearing care equipment operated by Vision Care's highly-trained and experienced professionals, ensuring every customer receives the best possible care.

Vision Care's Wennappuwa city branch offers a wide array of world-renowned brands for sunglasses and frames, including famous names such as Ray-Ban, Vogue, Polaroid, Vintage, and Polarsun. This impressive selection allows customers to choose from the latest and most stylish eyewear options available in the market, catering to both men and women. In addition, the branch offers hearing care solutions from Oticon, one of the world's most innovative hearing device manufacturers who are experienced in designing and developing hearing aids for adults and children.
