

Vision Care Inaugurates New Branch At One Galle Face Mall

(L-R): Rajeev Kottiyal, Business Head of Sri Lanka, Bangladesh, Nepal, Bhutan, Essilor India; Maarten Geraets, Chief Executive Officer, Essilor South Asia; Kumari Fonseka, Group Director and Eye Care and Research and Development (R&D), Vision Care Group of Companies; and Dasantha Fonseka, Chairman, Vision Care Group of Companies.

Expanding its footprint fur□ther, the Vision Care Optical Services inaugurated its

latest branch at the One Galle Face Mall in the presence of the Chairman and Board of Directors of Vision Care and other special invitees.

The new Vision Care outlet offers an elevated shopping experience for elite customers who can choose from a range of designer brands including Cartier, Gucci, Montblanc, Maui Jim, Boss, Porsche Design, Lindberg, Tom Ford, Bvlgari, Prada, Burberry, Emporio Armani and more.

The aesthetically designed branch features brands from the Milan-based Luxottica Group, the largest eyewear company in the world, having a brand port□folio that counts many propri□etary and licensed brands. Cognizant of the fact that shop□pers select eyewear based on their personal preferences and moods, Vision Care maintains a vast array of designer and top brands representing different styles and colors, backed by the expertise of its trained staff. Vision Care also offers the ser□vice of experienced eye care professionals to examine eyes, incorporating state-of- the-art equipment to diagnose the vision problem with high precision.
