Vision Care inaugurated its 53rd outlet in the Matala town. Dr R D K Rajapaksha, Consultant Eye Surgeon, Dr A B Kiridana, Consultant ENT Surgeon and Dr Asela Dissanayake, Regional Director of Health Services, and the Vision Care management attended the event.

Vision Care will be showcasing a range of designer brands at the Matala branch located at 87/A, Kandy Road in Matala. Vision Care opens outlet in Matala Dr A B Kiridana, Chief Guest and Dasantha Fonseka, Chairman, Vision Care Group, cutting the ribbon. Vision Care Matala outlet. The new Vision Care branch also features brands from the Milan- based Luxottica Group, the largest eyewear company in the world.

Commenting on the occasion, Harsha Maduranga, General Manager, Vision Care, said, "We are delighted to welcome the residents of Matala into our fold of valued stakeholders, as we believe the new Vision Care branch is the first of its kind in the town to offer a wide range of eye wear for every occasion. From sleek designer sunglasses to precision contact lenses, optical and ophthalmic products – the new branch at Matala has it all. Vision Care offers spectacles and sunglasses across the entire price spectrum from low to high prices which makes it affordable for all." Cognizant of the fact that shoppers select eye wear based

on their personal preferences and moods, Vision Care maintains an array of eyewear in different styles and colors, including sunglasses and frames to suit various preferences.

Vision Care offers the services of experienced eye care professionals to examine eyes, incorporating the state-of-the-art equipment to diagnose vision problems with precision.
