Vision Care unveils its most premium branch at The Shoppes at City of Dreams

The latest Vision Care branch at The Shoppes at City of Dreams.

Vision Care opened its latest and most premium branch at The Shoppes at City of Dreams.

The Shoppes at City of Dreams is the high-end retail component of Sri Lanka’s first integrated resort, City of Dreams, offering a curated mix of premium retail and lifestyle brands.

Vision Care’s new outlet is set to bring world-class eye care and luxury eyewear to this landmark destination. Vision Care’s senior management, staff members, and well-wishers attended the ceremonial opening.

Designed to provide a premium retail experience, the new branch boasts modern luxury interiors, a spacious and comfortable setting, and the latest advanced diagnostic and testing equipment. Customers visiting this flagship outlet can benefit from comprehensive eye testing services conducted by Vision Care’s highly qualified and experienced professionals, ensuring personalized and precise vision solutions.

The branch features an exclusive collection of high-end international eyewear brands, catering to discerning customers who seek style, sophistication, and superior quality. The lineup includes globally renowned names such as Gucci, Chopard, Lindberg, Swarovski, Persol, Cartier, Porsche Design, Maui Jim, Dolce and Gabbana, Stepper, Bvlgari, Ray-Ban, Vogue, Burberry, Giorgio Armani, and Boss, offering a wide variety of premium spectacles, sunglasses, and contact lenses to suit individual preferences.

With the opening of this latest outlet, Vision Care strengthens its position as the go-to destination for premium eye care and eyewear solutions.

It serves both local and international customers within City of Dreams, a landmark integrated resort that has transformed Colombo’s luxury tourism and retail landscape.
