Vision Care Unveils Refurbished Trincomalee Branch

Opening of the refurbished Trincomalee branch by Dr. Mangala Dissanayake, Eye Surgeon Ophthalmologist.

Vision Care opened its refurbished Trincomalee branch. Dr. Mangala Dissanayake, eye Surgeon and Ophthalmologist, Vision Care’s management team, staff members, and well-wishers graced the occasion.

Having served the Trincomalee community for over a decade, Vision Care has revamped its branch to offer customers a modern look and feel, increased interior

space, and an expanded range of products and services.

This re-opening reflects Vision Care’s commitment to better serving the community with enhanced customer care and experience explicitly tailored to meet the needs of the Trincomalee residents. The upgraded branch boasts a modern aesthetic and state- of-the-art eye care equipment. It is staffed by well-trained professionals who are dedicated to providing and committed to delivering exceptional service and ensuring the highest standards of eye care.

The branch offers a comprehensive range of eyewear products, spectacles, sunglasses, and contact lenses and an array of renowned brands, and also provides hearing care solutions from Oticon.
