Vision Care wins Best Management Practices Company Awards 2025

Vision Care team receiving the Award at ‘Best Management Practices Company Awards 2025’.

Vision Care won the ‘Best Management Practices Com- pany Awards 2025’ in the Eye Care and Hearing Aid Services category. Presented by the Institute of Chartered Professional Managers of Sri Lanka, it recognizes Vision Care’s excellence in business management, customer service, and innovation. It reinforces Vision Care’s commitment to maintaining high standards in customer service, employee manage- ment, digital advancements, and sustainability.

Harsha Maduranga, GM, Vision Care said, “Winning the Best Management Practices Company Awards 2025 is a proud achievement for Vision Care. It reflects

our dedication to excellence in every aspect of our operations, from the expertise of our team to the cutting-edge solutions we provide. We will continue to set new industry benchmarks and ensure our customers receive the highest standard of eye and hearing care services.”

For over 30 years, Vision Care has led the industry by introducing advanced technology, expanding accessibility, and maintaining top service standards. It offers a full range of vision and hearing solutions, including eye testing, hearing assessments, and premium eyewear from top global brands. With a customer-first approach, Vision Care ensures personalized service, expert consultations, and access to cutting-edge diagnostic technology at its nationwide branch network. This commitment has built strong customer relationships and cemented its reputation as a trusted name in the industry.
