VOLVO S40 and V40

The VOLVO Group esteemed as one of the most reputed Swedish automobile manufacturers in the world has introduced two models of Volvo vehicles to Sri Lanka. The $40 is a four-door saloon while the V40 is a five-door touring car. The two models are elegant and sleek, offering a high level of safety and driving pleasure under varying conditions. The vehicles could be equipped with additional features according to customer requirements. The price of the vehicle will be determined according to these additional features. The new models have been priced at Rs 3.6 million upwards. The local agent for VOLVO is Swedish Trading Company.
