

Western Union At Seylan Bank

Seylan Bank and Western Union representatives with Seylan Bank customers who were the first few Western Union money recipients at the event.

Western Union partnership was announced at a ceremony held at the Seylan Bank head office. The launch ceremony took place with the participation of both Seylan Bank officials as well as Western Union representatives with Noor Elahi, Country Manager, Western Union Sri Lanka and Maldives, joining via video conferencing. Seylan Bank customers who were the first few Western Union money recipients were also present at the occasion. As the Bank with a Heart, Seylan Bank continues to place customer convenience at the heart of their operations, by constantly showcasing exceptional service quality, and offering products and services that support the financial needs of all their customers
