Is the Bank of Japan Finally Synchronizing with their Peers?

Described as an ultra-lax monetary policy, Japan's economic model has baffled the world.

'Uma Diya Janani': Joint Inauguration of the Uma-Oya Multipurpose Development Project by the Presidents of Iran and Sri Lanka

The Discreet Techie on the Radar

Everyone knows Mark Zuckerberg from Facebook and Elon Musk from X. But there isn't much known about Pavel Durov, the founder and owner of messaging app Telegram.

Not all Debts are Dilemmas

Singapore's debt portfolio is a lesson in prudent decision-making, where a long-term view of its economy governs the process.

Challenging Market Conditions for Electric Vehicles

Near-term global statistics on Electric Vehicle (EV) sales have prompted manufacturers and analysts to contend that the segment's growth may not be a straight line after all.

President Ranil Wickremesinghe at the Opening of ITC Ratnadipa Hotel

The Central Bank of Sri Lanka Releases its inaugural Annual Economic Review and Financial Statements and Operations for the Year 2023
