## Dedicated to Politics

Former Southern Province Governor Willie Gamage is a political veteran. From a student activist and insurgent, he transitioned into mainstream politics and actively engaged in grassroots politics and campaigns. He has served in multiple public service positions since 2005. He is a son of the South and knows its complexities and dynamics and his return to the province was an opportunity to serve it well.

## Dilith to the Rescue?

Dilith Jayaweera, leader of the Mawbima Janatha Pakshaya, is best known for propelling Gotabaya Rajapaksa to prominence and then to power. He is no stranger to controversy and no stranger to spreading sensational stories; Dilith knows that many people love to hate him. They even blame him for being one of those responsible for promoting an inept leadership that led this country to its worst economic crisis.

## Corruption: An Unwinnable Battle?

The corruption case of Vietnamese property magnate Truong My Lan gripped the world's attention.
