

Xapp redefines savings with 7.50 percent Returns and Total Liquidity

This award is given to organizations that demonstrate a strong commitment to cultivating exceptional leadership, fostering a high-performance culture, and setting benchmarks in talent development across various industries.

This recognition reaffirms Pan Asia Bank's unwavering dedication to nurturing a world-class managerial ecosystem, where innovation, accountability, and excellence are not only encouraged but also expected. The bank's strategic investment in people development has made it a standout in Sri Lanka's financial services sector, consistently delivering top-tier talent and leadership to meet evolving market demands.

"It is with great pride that I share the news of our remarkable achievement at the Great Manager Awards 2024," expressed Naleen Edirisinghe, Director/CEO, Pan Asia Bank. "This recognition is not only a celebration of our individual leaders but also a testament to Pan Asia Bank's strong leadership culture, our focus on continuous learning, and our commitment to building the best team in Sri Lankan banking." The Great Manager Awards 2024 showcases Pan Asia Bank's continuous commitment to developing talent and honoring exceptional leaders in the banking sector.

With traditional savings accounts struggling to outpace inflation, more savvy investors are opting for Xapp, a next-gen investment platform by National Development Bank (NDB) offering a 7.5 percent annual return as of May 19, 2025. A key advantage of Xapp is its full liquidity flexibility.

Xapp effectively bridges the gap between savings and investments, providing users with the transparency and control that many traditional banking products lack. With no hidden terms, lock-in periods, or complex structures, Xapp enables users to earn significantly more than they would with standard savings accounts while retaining the ability to invest or withdraw their funds at any time. A standout feature of Xapp is its intuitive sub-account functionality, which allows users to create purpose-driven savings buckets—whether for a holiday, a new phone, or an emergency fund. This approach not only encourages disciplined saving but also promotes mindful financial planning. Designed for the everyday investor, Xapp eliminates the barriers that have long made entering the investment world challenging. With a clean interface, low entry requirements, and a commitment to clear communication, the platform has quickly become a preferred choice for those seeking more from their money, free from stress or uncertainty. As inflation continues to erode passive savings, Xapp presents a proactive alternative for individuals ready to take control of their finances. Whether users are building an emergency fund, saving for a short-term goal, or simply looking to outpace inflation, Xapp offers a smarter, more flexible solution.

Xapp by NDB is a user-friendly investment platform that makes wealth-building simple, accessible, as well as rewarding.
